

**Spazio Latente**

The figure displays a 5x5 grid of 25 cylinders, each representing a point in a latent space. The cylinders are arranged in five rows and five columns. Each cylinder is either a solid gray cylinder with a vertical gradient (lighter at the top, darker at the bottom) or a dashed black cylinder. The distribution of solid and dashed cylinders is as follows:

- Row 1: Solid, Dashed, Solid, Dashed, Dashed
- Row 2: Dashed, Dashed, Solid, Dashed, Solid
- Row 3: Dashed, Solid, Dashed, Solid, Dashed
- Row 4: Solid, Dashed, Dashed (with a blue dot), Solid, Dashed
- Row 5: Dashed, Solid, Dashed, Dashed, Solid

The blue dot is located on the front face of the solid gray cylinder in the third row, second column.
